

Applebee's Pancake Breakfast Fundraiser

Overview:

Applebee's normally does not serve breakfast, they only open for breakfast on two weekends a month to serve the community for fundraisers.

The fundraisers can be run on Saturday or Sunday morning from 8 – 11am.

First plan two or three potential dates, as they may already be booked. Then call the Applebee's in Shirley, NY 631-399-7220 or Patchogue, NY 631-207-5900 and ask to speak with a Manager.

Let them know that your team is a part of Bellport Soccer which is a not-for-profit organization and we can provide a copy of the tax-exempt form on the day of your event. You will have to reach out to one of our board members for a copy prior to the day of your event.

Each family on your team should be responsible for selling (x) number of tickets each. They can certainly give them away if they want but you should get the money for the tickets when you hand them out.

Applebee's collects \$4 per ticket/plate when the meal is delivered from the kitchen to the guest. The recommended charge is anywhere from \$10 to \$13 per ticket/plate.

Note: The meal is very good, it included pancakes, eggs, sausage, coffee and juice!

Here is what has worked in the past:

- Ask each family to put together a basket to raffle off that should be worth at least \$25 dollars and bring it the morning of your event.

Note: Purchase some raffle tickets and small gift bags to collect the raffle tickets for each basket.

- Sell as many tickets as you can and give out another 50 or more. Remember you only have to pay Applebee's for the ticket/plates they serve... just make sure you give them a fairly close estimate of how many people will come so they have enough food and kitchen staff...
- Pack the place out!
- When the guests arrives sell them raffle tickets for a chance to win one of the gift baskets your families donated.
- The bottom line is that if you give someone a free ticket but get them to buy \$20 worth of raffles that is a net profit of \$16!
- Once approved you will get an email with a link to print the flyers and tickets from the Applebee's website.
- Get organized and pack the place out!
