

## Field Maintenance Schedule Fall 2017

### PLEASE CLEAN UP ANY GARBAGE LEFT ON THE FIELDS!

(If we don't keep the fields clean it will jeopardize the leagues use of them in the future.)

\*If there are any time changes that occur it is each coaches' responsibility to ensure set up and cleanup is correctly in place.

\*U9 – U10 are at BMS on Saturdays. They will use **BLUE** paint and play on a field "inside" the big Kreamer field

\*U11-U12 are at BMS on Saturdays. They will use **BLUE** paint and play on a field "parallel" to the football field

\*U13 are ALSO at BMS on Saturdays. They will play on the big Kreamer field. No PAINT needed, just corner flags.

Please also have someone reline and/or check the fields weekly, so that you can ensure the lines remain as a guide.
